Your clients are already here and online- why not give them a lift to your website?

If your potential clients are between the ages of 27 and 65, are women and are in business or thinking of getting into business for themselves – then chances are your clients are already on our website. Your ad will also provide a link to your website or to a descriptive page that will provide more information about your business or organization.

Your web ad will be a vertical 2 x 5 column and space will be available on first serve basis. A waiting list will be developed for future ads. Ad can be *type set* and ready to post in jpeg format or **WiBN** will develop the ad copy for you. Each advertiser will provide logos and text to appear in the ad. You will be emailed a copy of the ad for your approval before it is posted on the **WiBN** website.

Advertise to your target market for pennies a day! *6 Month and 12 Month Web Advertising is discounted over 18% from the monthly fee.*
